## DAILY WORK REPORT

---

### DOMAIN DNS RECORD FOR CITRON-SITENG UPDATED TO WEB HOSTING

Namecheap instructed the update of citron-siteng to a stellar hosting plan so i transferred the domain to our hosting plan since it can accomodate multiple domain names, this would enable them accept the SSL certificate

### KaraCredit:

Payment Gateway infrastructure build continued,

### NO REPLY FROM YOU ABOUT CITRONMART: !!!

Citronmart's domain has expired and been deactivated, i wasnt handed over the domain registrar so i never got the warning messages prior to its expiry, I only saw the expiry during my daily troubleshooting of all platforma, we would need to renew that

### CITRONSITENG DOMAIN:

Done and completed process confirmed, i sent a screenshot to you and this is completed
